PETITION – *SUPPORTING OUR LAUNCESTON GENERAL HOSPITAL*

TO THE HONOURABLE THE SPEAKER AND MEMBERS OF THE HOUSE OF ASSEMBLY:

The petition of the undersigned

Citizens of Tasmania draw to the attention of the House:

- Our grave concern about the announced cuts to frontline health services which are a result of Labor and the Greens budget mismanagement and flawed priorities.

Your Petitioners therefore pray that the House:

- Calls on the Government to protect frontline health services at our **Launceston General Hospital** (including elective surgery and acute care beds) from cuts - and instead make savings in other non-essential areas.

And your Petitioners, as in duty bound, will ever pray, etc.
